Just For Today:
<u>Just For Today</u> my thoughts will be on my recovery, living and enjoying life without the use of drugs
<u>Just For Today</u> I will have faith in someone in NA who believes in me and wants to help me in my recovery.
<u>Just For Today</u> I will have a program. I will try to follow it to the best of my ability.
<u>Just For Today</u> through NA, I will try to get a better perspective on my life.
<u>Just For Today</u> I will be unafraid. My thoughts will be on my new associations, people who are not using and who have found a new way of life. So long as I follow that way, I have nothing to fear.
